Secondary TIED History Project 2027 (Blended)

Raising attainment today. Preventing attainment gaps tomorrow.

A five-session collaborative enquiry programme for history departments. Explore how to improve achievement, participation and belonging for disadvantaged history pupils at the critical points in a young person's secondary journey when research shows intervention can have the greatest impact – Years 7, 10 and 11. Use evidence-informed practice, pupil voice, data and cross-school collaboration to tackle the stubborn disadvantaged gap in history at your school.

Who should attend?

- History leaders and aspiring leaders.
- History teachers responsible for disadvantaged pupils.

Why join?

- Develop a deeper understanding of disadvantage in history.
- Narrow the GCSE attainment gap for disadvantaged students.
- Prevent the disadvantage gap growing from Year 7.
- Identify barriers and opportunities using data, research and pupil voice.
- Test and refine approaches that improve belonging, engagement and success from Year 7.
- Work with history leaders across Hampshire.
- Strengthen departmental improvement planning.
